Addendums

16. The Club for Growth chose the Palm Beach area because many of our donors live in that area. It is a courtesy to them to hold our conference in southern Florida.

19. The Club for Growth chose The Breakers hotel for several reasons. One, the hotel has the conference spaces we need – the spaces can hold up to 100 people or more – and the level of conference services we need to host that many people as well. We hired a conference broker to help us find the least expensive hotel that would accommodate our group.

18, 20. The cost of a room at The Breakers for one night is \$495. The rooms at this rate that we offer Members of Congress are the same rooms we block out for and rates we offer to our attendees, and this is the least expensive rate we are able to offer. This is significantly less expensive than the original Breakers' room rate of \$695 per night.

Meals served at The Breakers are the same for Members of Congress as they are for conference attendees. The Club for Growth has chosen the least expensive meal options that The Breakers has available, and is working with the hotel staff to reduce the costs of meals as well. In addition, "extras" will not be made available to Members, including alcohol, and therefore extras are not calculated into meal estimates for the Members.
